Hello Katherine,

Re: K – Dangman Park MGP, site no. 224047

I've reviewed the proposed hydrogeologic testing work plan that was submitted to me on December 15, 2015. It is hereby approved and is considered an addendum to the SRI work plan that was approved on September 15, 2015. Please place this addendum into the document repositories.

All the best,

William Wu
